RING SIZE GUIDE

The most accurate way to have your finger sized is to visit a jewellery store for a proper measurement to be taken. Gregory Jewellers has a network of boutiques across NSW and VIC, please find your nearest Gregory Jewellers Boutique [here](#).

Before measuring your ring size, be sure this guide is printed in A4 and scaled to 100%. You can check the accuracy of your print by positioning a credit card on the line below.

IS THE RING FOR A SURPRISE GIFT OR PROPOSAL?

Ask your loved one's family or friends if they know their finger size. Borrow their favourite ring (for the correct finger) and use the ring measurements below to determine the correct size.

- USING THE SIZE GUIDE -

1. Select a ring that fits the intended finger.
2. Place the ring and match the INSIDE circle circumference with the closest size.
3. When your ring has been placed on the right size, you should see only the white circle (with no grey space inside your ring)
4. If in between sizes, select the larger size.
